The 1954 CAVALIER

Compiled and edited by the Senior Class
of Oceana High School, Oceana, Virginia

OCEANA HIGH SCHOOL

Oceana, Virginia

1928-1954

DEDICATION

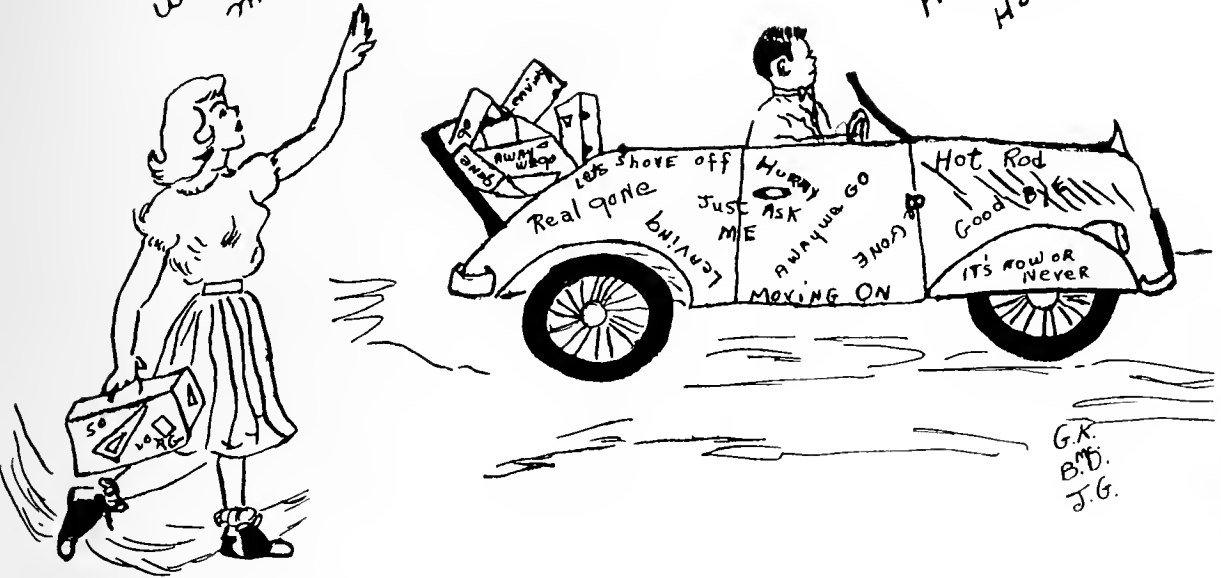

We, the members of the 1954 graduating class of Oceana High School, dedicate this, the last "Cavalier", to the many graduates of this fine school.

Through the years many graduates have left to face the future with gratitude and humility. Their present places in life exemplify the anxiety and tolerance they received at Oceana.

It is with much satisfaction that I make a few brief comments for the 1954 edition of the "CAVALIER"; however, it is with sadness when I realize that this is the last "CAVALIER" that will be printed.

The class of 1954 has a distinct privilege of being the last one to graduate from a high school that has served the community for so long.

You, the underclassmen listed in this book, can look forward with great anticipation to entering a new modern high school that will be second to none in this area in facilities; however, the life of the school will depend on you. The school will be just what you make it. I trust and believe that the Oceana students will help make it the very best.

Oceana High School has served you well. I am sure that memories will linger on, and at times you would like to return to your home.

I join with you in saying "Farewell" to "dear old O. H. S."

History

* In the fall of '49" our big climb began. We were at last what they call "lowly eighth graders", really green around the edges. But as time went on, between the teacher's patience and the upper classmen's tolerance, we became accustomed to the change and began to blossom.

Then in the fall of 1950, as Freshmen, we were really a part of the high school. Now *we* could look down on those "lowly eighth graders", but since we were working for those all important credits, it was necessary to cut out some of the play and get down to hard work. This, however, didn't prevent us from taking part in extra curricula activities such as, athletics and clubs. Time passed quickly and so ended our first year in high school.

As Sophomores we began to get the swing of things. Our class officers were elected, and they started making plans for the coming year. Our first party was at Christmas. Boy, was it a honey!—music, dancing, and food galore. Exams came. With much cramming and anxiety most of us came through okay. We all enjoyed the party given us by the Seniors as a reward for being the first class to get annual subscriptions from everyone. To top off a wonderful year of hard studies, plenty of extra activities, and "oodles" of parties, we had the only Sophomore banquet ever to be held at Oceana High.

In September, 1952 we were finally on speaking terms with those dignified Seniors.

This year our girls' basketball team again gained the title of the "County Champions", and some of our classmates were members of the team.

Juniors! Almost there now. Responsibility came our way as we realized we had to sponsor the Junior-Senior Banquet. The big problem was raising the money so we sold peanuts, popcorn, and candy at football games, but knowing we still had to raise additional funds, our attics were cleaned and several rummage sales were sponsored. The gala event was planned for May 8th at the Nansemond Hotel with the Hawaiian Islands as our theme. A finishing touch was added to the event by the arrival of our Senior rings that morning, and it made us feel so much more important. Everyone enjoyed a beautiful, balmy evening of dining and dancing.

Final exams were over, and most of us pulled through. Gee, that year was so full of studies and activities, it just flew by.

Well it was September, 1953 and we were back as dignified Seniors. Everyone was in high spirits, hoping that this was his last year.

Football season was right around the corner with our annual Ocean Bowl game scheduled as a climax. Most of us took an active part in the festivities.

We had already started to work on the last Cavalier yearbook, but we were a long way from finished. More ads had to be gotten, and the work of compiling the annual was still ahead of us. Time flew and before we knew it Christmas with its parties had come only too soon to be part of our memories.

When the time came for us to order our invitations we realized that graduation was close at hand. Then came our Senior play, "We Shook the Family Tree". Those rehearsals—what fun they were! It wasn't long before our caps and gowns came and we then knew that graduation was no longer a dream. Graduation night came and went, and although that was the last year of "Old O. H. S." its memories will live forever.

The Last Farewell

Dear friends and memories
 we leave behind
With heavy hearts and sad,
And proudly we march
 down the aisle
With happy hearts and glad.

A proud salute to our
 dear old school,
To our teachers and our learning.
With wondering eyes
 and eager smiles
We're to the future turning.

We look behind to this
 great old structure—
This monument to learning,
And know that in the
 years to come
We'll think of this time
 with yearning.

This school has done her work
 and now passes to another
Youth of high school age.
She closes her doors
 while new ones open
To start a brand new page.

"Farewell, dear school,"
 this class to you sighs
As we sadly turn away,
"We love you and we
 always will
Through every coming day."

Class Prophecy of 1954

Hello, ladies and gentlemen. This is Gabriel, your special news broadcaster, bringing you direct from the ninetcenth floor of the Mayflower Apartment House a description of the Grand Ball about which you have read so much in the papers lately. Before the guests unmask I'd like to tell you a little something that might be of interest to you.

This ball is given in honor of the graduates of Oceana High School of the year 1954. By the way, that happened to be the last year of the high school and they were very proud to be able to say that they were the last graduating class, many of them having started school there. In their Senior year they set this date, June 9, 1964, to meet again for their class reunion. During the past ten years many graduates of that class have become very successful and famous.

Tonight, for your enjoyment, I am going to describe the guests and some of their costumes as they come through the huge double doors which are decorated with thousands of white orchids. The ball room, here in the Mayflower, is beautifully lit with Japanese lanterns—wait a minute, here come the first guests.

Here comes the muskrat king, Mr. C. E. Harris, and his very lovely wife, the former June Peterson, who is naturally covered with rats. Gossip says that Mr. Harris is trying to trap enough rats for his wife to have a coat. Following them in a very windy costume is Miss Gaynelle Kime, who is known as the burlesque queen, and her third husband, Kent Wowder, who is also her wardrobe and bodyguard. I see approaching the doors the well loved husband and wife team of television, Mr. and Mrs. Jimmy Craddock. Mrs. Craddock was Geraldine Midgett before her marriage and she now plays the wife in the series of "I Love Dene". Well, if it isn't Miss Imogene Culver who owns and operates the well known "Morning Glory Funeral Home". She is wearing her usual dress of black. Here come Mr. and Mrs. Howard Savage. Mr. Savage, a recent graduate of V.M.I., is doing very well. He had quite a shock a few months ago. He made his first million and in the same week his wife, the former Joann Hughes, whom he went with for years, presented him with triplets. They are wearing the costumes of Romeo and Juliet. Wilmont Downey and his wife Lorene Ferguson are here. Everyone says that while Wilmont is singing his wife pitches pennies on the stage.

I see that Mr. Billy Morrisette and his date have just arrived. She is Mabel Madge Fimple Goble. Mr. Morrisette is the president of A.A.A. They are dressed in labels. Luis Bolinaga has just headed a new Cuban revolution and his faithful lover, the famous Portia of Broadway or Lois Wood, has vowed to stay by his side no matter what happens. They are going to arrive late. Lewis Voliva, the owner of Colonial Stores, donated one thousand cans of crushed pineapple juice in honor of his future wife, Miss Ellen Reitelback, who has just won the title of "Miss Crushed Pineapple", with more juice to the squeeze. Her costume is naturally a pineapple. That happily married basketball champion, Ray Whitehead has just come in with his dashing wife, Dolly White, who was also a basketball player before she married. They are raising their own team and not a one of their children is under five feet seven. They have on red uniforms. In the gossip column of a well known paper it was stated that the stunning red-head of the Beach, Miss Dixie Condron, had given up everything to follow her famous adventurous husband, Mr. Charles Ammons, to Africa where he is going to look for diamonds. He was told that they were cheaper there.

Looking around, I find that among the famous guests here tonight is Miss Bobby Wilson, World's Champion Lady Wrestler. Her famous hold, "The Man Hold", attained for her the title. She is wearing bright green trunks with an orange shirt.

Everyone is turning around to look at Mr. and Mrs. Bill Perry as they enter with their fleet of Eskimo dogs. Mr. Perry is running a fish hatchery in Alaska while his wife, the ex-Miss Jacque Carson, is teaching the Eskimos the art of living. They are all decked out in seal skins and whale oil. Coming toward me is Mr. Donald Oglesby, the well known photographer who is hard at work taking pictures of his latest pin-up girl Mrs. Ann Wardlaw.

Tonight we have a very distinguished guest. He is Mr. Andy Wood who is now making his home in India where he is dean of a girls school. He has brought three of his teachers and I see that they are: Betty McDaniels, Billy Jo Harville, and Carole Honeycutt. They are dressed in their native costumes. I have just been informed that Causey Davis is learning to play the piano and who should be teaching him but his wife. Loretta Hitchings was her maiden name and she was very successful as a music teacher. I can't describe their costumes because there're taken from a modern painting.

If anyone has a lonely heart, come right down. We have here Miss Mary Virginia Garrett who runs a Lonely Hearts Club since her lover ran away with his secret model Joan Gallup. Miss Garrett looks like a letter without a stamp. I'm sure that all of you listening remember Miss Lorraine Cox, the banana heires, who married the hot rod driver Mr. Archie Bolyard. Well, they tell me that he got plenty of practice while rushing her to the hospital and for the seventh time. By the way, it was another boy. What is she going to do with seven boys! They have come dressed like tramps. Almost all of the guest have arrived, but a few are still arriving late and here comes the lady with the eyebrows voted most likely to succeed, Mrs. Barbara Rittenhouse Powell. Her famous husband, Dicky Powell, is the ring master in a horse circus. Here are the last to arrive and I see that they are Miss Joy Sawyer who is working as a dishwasher and hashlinger while waiting for her big break in dramatics and Mr. and Mrs. John Slattery. His wife, who was Shirley Hamlin, divorced her third husband to marry John after his book, "Bashfulness Doesn't Pay", became a hit and neted him a cool million. Mr. Slattery said that the book was written from personal experiences.

Well ladies and gentlemen, I find that my time is up and I must sign off. I hope that you have enjoyed this description of the Grand Ball which is being held on the nineteen'h floor of the Mayflower Apartments, so I say to each and every one of you, so-long for now but I hope to be seeing you soon. This is Gabriel signing off.

The 1954 Cavalier

HERE IT IS — THE LAST "CAVALIER"

After many months of selling ads and subscriptions, taking pictures, typing all the material, and a lot of planning, we finally made it. It was a lot of hard work getting the articles written, checked, and rewritten, and doing the other jobs that had to be done; but years from now we can look back and enjoy the product of our struggles.

Besides being remembered as the last "Cavalier", we hope it will also be remembered as one of the best. The annual staff and its sponsors, Mrs. Hudgins and Mrs. Ferrell, worked hard to make it so. We should like to thank everyone who helped to make the 1954 Cavalier possible.

As always the true aim of the Student Co-operative Association is to promote better citizenship and school loyalty among the members of the entire student body. We endeavor to do this by upholding good morals, fair practice and wholesome activities in all school functions.

Our S. C. A. seeks not only to promote these things in a general way but also we endeavor to promote the following.

1. Holding of elections in which the officers of our S.C.A. are voted upon.
 2. Safety in the school and on the school grounds.
 3. Helping to sponsor the sale of ice cream.
 4. Aiding in the organization of assembly programs.
 5. Setting up and promoting a monitorial system in the school.
 6. Active participation in the County S.C.A., the Tri-C S.C.A., and the State S.C.A.
- We also sent three representatives to the State Convention held at Radford, Virginia.

Beta Club

Good character, achievement, and leadership are the requirements of the National Beta Club. The requirements for membership in the Oceana Beta Club also include a "B" average for all subjects and faculty approval. All members are proud to wear their Beta pins.

The club has regular monthly meetings with excellent programs and, of course, socials. In order to send delegates to the convention, which is a highlight in the Beta year, the club sold candy and cokes at the basketball games. The Betas gave twenty-five percent of the profit to the school's General Activity Fund.

In addition to raising money for its own benefit, the Beta Club sponsored the March of Dimes Drive in the school.

“The Courtier Speaks”

This year Oceana abandoned the “P. A. System” and organized its own newspaper. The advisors are Mrs. Owens, Miss Loving, and Miss Whitlock. The students named the paper “THE COURTIER SPEAKS.”

The first issue needed improvement since we had an inexperienced staff, but the successive issues have been sell-outs.

The paper has featured sports, club, and class news, Chatter, S. C. A News, and even poetry. Each issue was illustrated by many fine drawings.

The staff is as follows:

Editor Harlan Wood
 Assistant Editor Dolly White
 Business Manager Joan Gallup
 News Manager Dicky Ammons

Monogram Club

Sports and good sportsmanship are important in every school. It is the purpose of the Oceana Monogram Club to promote a general interest in sports.

The officers elected to serve the 1953-54 term were: Dicky Powell-President; Geraldine Midgett-Vice President; Lewis Voliva-Secretary; Mabel Goble-Treasurer; and Dorothy Nixon-Reporter.

The club, under the sponsorship of Mr. James Jackson, carried out many plans for club social activities and the development of better athletics. The Oceana Club is constantly striving to instigate and sustain the ideal of true sportsmanship. We realize that good citizenship contains many of the same basic ingredients as good sportsmanship.

The monogram club lifts high the banner of fair play and goes forth under this standard to establish its name in the rank of those who love athletics and human integrity.

Band

Our band this year, as usual, was very busy. We were very proud as it represented our school in such activities as the Oyster Bowl, Hampden-Sydney College Homecoming, March of Dimes Parade, Potato Festival, and of course, all of our football games.

The Oceana, Kempsville, and Creeds bands had many socials this year in which they became acquainted with each other in preparation for the consolidation next year.

Our many thanks go to Mr. James A. Cantwell, director, for the splendid way in which he trained our students to make such fine showings.

The officers this year were: Sherwood Thompson, Captain; Richard Kauffman, Co-Captain; and Loretta Hitchings, Secretary.

Glee Club

Our Glee Club this year was very busy preparing and presenting programs for such occasions as the Womans' Club, P.T.A., Tri-C, S.C.A., and school assemblies. Especially were we proud of their appearance on Television.

At the mid-term a county workshop was held. Our Glee Club participated and gained much from it. They also presented their annual spring concert and sang for graduation.

Our many thanks go to Miss Gimbert for directing the group which represented Oceana High School in these many activities and accomplishments.

Dramatic Club

The Dramatic Club held its first meeting in October and elected as its officers the following: Bill Perry, President; Billy Marshall, Vice President; Joe Beachum, Treasurer. The Club had a fine year under the direction of its new sponsor, Miss Carolyn Bowers.

Our club's first major activity was a Christmas play; a one act comedy, "All Is Calm", which was presented for the P.T.A. and the school assembly. In January we started working on "I'm A Fool", a one act play which was presented for state competition in the Forensic Meet. Also for Forensic we worked on public speaking, prose reading, and debating.

In the spring we topped our activities with the drama "Seeds of Suspicion". All of us enjoyed this busy year in the Dramaatic Club and will always remeber the fun we had.

One Act Play

On March 11, 1954, the Dramatics class entered in the district literary contest, the one-act play, "I'm A Fool," written by Christopher Sergel. The play, under the direction of Miss Carolyn Bowers, was given at the Virginia Beach High School.

The cast was as follows:

George — Robert Forbes

Mother — Naomi Meekins

Mildred — Beverley Roberts

The Dude — Gene Newman

Burt — Richard Reader

Wilbur — Donald Gregory

Lucy — Margaret Forbes

Elnor — Margaret Gies

The cast worked very hard and received a creditable rating. This was the first time any of the members had performed in public.

D. E. Club

The aims and purposes of the Distributive Education Club are to provide the club members with a means of learning of the vocational opportunities in the field of distribution and of their significance to community life. To develop leaders among the members who will be capable of handling important responsibilities in the field of distribution both now and in the future. To provide a means of integrating the Distributive Education program with other school groups through joint sponsorship of projects and recreational and social activities. To provide for helpful participation by the members in civic enterprises in order that the members may take their places in community life after graduation. To help the students develop an understanding of their employers and their employer's problems, in order that the students may actually contribute to the organization by which they are employed. To put into practice the philosophy that in receiving money for services, merchandise, or ideas, each Distributors' Club members will give of his best in time and effort so that both buyer and seller will benefit.

Vice President	Lorene Ferguson

Los Caballeros del Espanol

Como esta Usteal? This is the way you will be greeted when you step into a Spanish Club meeting.

The Spanish Club was organized by twenty-four first and second year students. Our Spanish teacher is our leader and the name of the club is "Los Caballeros del Espanol" which means, the Spanish Cavaliers.

Our work in the club helps us to gain a knowledge of the Spanish speaking countries and the people of these lands. We make recordings of our readings and sing numerous Spanish songs. For our activities we have sponsored a float in the Ocean Bowl Parade and participated in an assembly on Pan-American Day. Our work will prove valuable when we come in contact with people of these Spanish speaking countries. And so, "Adios Amigos" from our officers.

The Club had its annual job of dressing dolls at Christmas. This brought joy into the hearts of many children. Among the many other activities, the club held an assembly program in March.

One week in every year is set aside as National F. H. A. Week. During this week we decorate the Home Economics room and the bulletin boards.

This year our membership has increased to 42 members. This is the largest it has ever been. Although our club is not the best in the state, we are working to make it the best in the new school.

4-H Club

On the first Tuesday of every month the 4-H Club holds it's regular meeting. Everyone gives the pledge and motto and there is a Bible reading and prayer service. After this the business meeting is held and then we separate into groups for project discussions. From our individual projects we learn to be independent and from our group projects we learn to work as a whole and to co-operate with each other. At the end of the year there are fairs and an Achievement Day where we compete for prizes and ribbons. Through all of this we endeavor "to make the best better" as our motto teaches us.

Library Club

OFFICERS

Lorraine Cox	President
Leon Piper	Vice-President
Dorothy Nixon	Secretary
Becca Malbon	Treasurer
Charles Gardner	Reporter

The Library Club was organized at the beginning of the year under the sponsorship of the librarian, Mrs. Nancy Strickler. The club is composed of student librarians and students interested in library work. It is the purpose and aim of the club to make the library the hub of educational activities of the school, to stimulate the reading interests, and to improve library service.

The club sponsored a float in the Ocean Bowl Parade in November, as a part of the celebration of Book Week. Members sold cookie cutters at Christmas to raise money to go into books or pictures for the library. In January an assembly program, "America Yesterday and Today in Books", was presented by members of the club. This was well received by the faculty and the student body. As a special project, a series of educational films have been shown at intervals throughout the year.

MOTTO

 (American Beauty Rose)

The French Club was organized this year under the direction of Mr. Cox with the following officers: Loretta Hitchings-President, Martha Sue Riggs-Vice President, Millie Tillett-Secretary, Sherwood Thompson-Treasurer, and Edith Darden-Reporter.

We have been very interested in the letters we have been writing and receiving from students in Quebec and Montreal, Canada. They helped us very much to learn more about the life of the French people.

Our other projects for the year were: Sponsoring a float in the Ocean Bowl Parade, which displayed the patriotic standpoint of France; having a party and program at Christmastime; and presenting an assembly program consisting of a quiz show on facts about France. Students from the audience were chosen to participate.

Cheerleaders

Fifteen rahs for the team! As our cheerleaders went into action at the games, the spectators backed them up.

Since there were only two girls left from last year, it was decided that they would be co-captains. They were Joann Hughes and Geraldine Midgett. The student body elected eight more girls to help them cheer the team to victory. They were as follows: Mabel Goble, Dolly White, Sallie Baines, Dorothy Meeks, Frances Speight, Bet Gilbert, Betty Malbon, and Joy Sawyer.

Many new yells were made up by the cheerleaders. Their fighting spirit helped to keep our "Alma Mater" flying high.

LEFT TO RIGHT: Mable Goble, Joy Sawyer, Betty Malbon, Dolly White, Joann Hughes, Geraldine Midgett, Frances Speight, Bet Gilbert, Sallie Baines, and Dorothy Meeks.

SCHOOL SPIRIT

Hit 'em on the bottom,
Hit 'em on the top,
Hit 'em in the middle
And watch 'em flop!

End, tackle, center, guard,
Get your man and hit him hard
Hit him high!
Hit him low!
Come on team— Let's go.

We're Cavaliers born,
We're Cavaliers bred,
And when we die
We'll be Cavaliers dead.

Maroon and white
Will wave on high.
We'll win this game
Tonight or die.

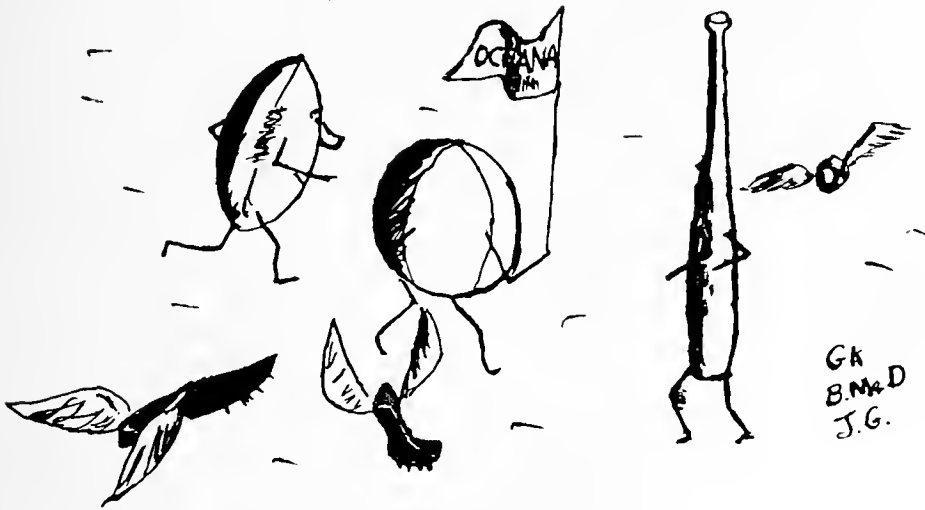

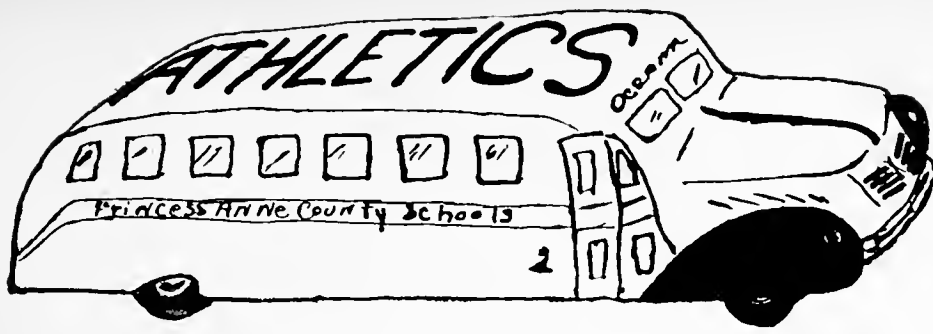

Chorus: So rah, rah for Oceana!
Rah, rah for Oceana!
Rah, rah for Oceana!
Rah, rah, rah!

Soda water, soda water,
Pop, pop, pop!
Hot dog, hor dog,
We're on top!

One, Two, Three, Four,
Who're you going to yell for?

This year the Cavaliers were very green and inexperienced on the gridiron. We had almost an entirely new team, but the training they gained this year will be a great help in preparing for the team at the new high school next year. J. V. Boys' Basketball

The Oceana Jayvees had a fairly successful season with a 3-4 record. The team lost to Virginia Beach, Matthew Whaley, and to Norfolk Academy twice. They beat Kempsville by a score of 26-25 in an exciting tilt at Kempsville.

In two of the home games the boys beat Kempsville again by a score of 47-31 and Virginia Beach, 46-39.

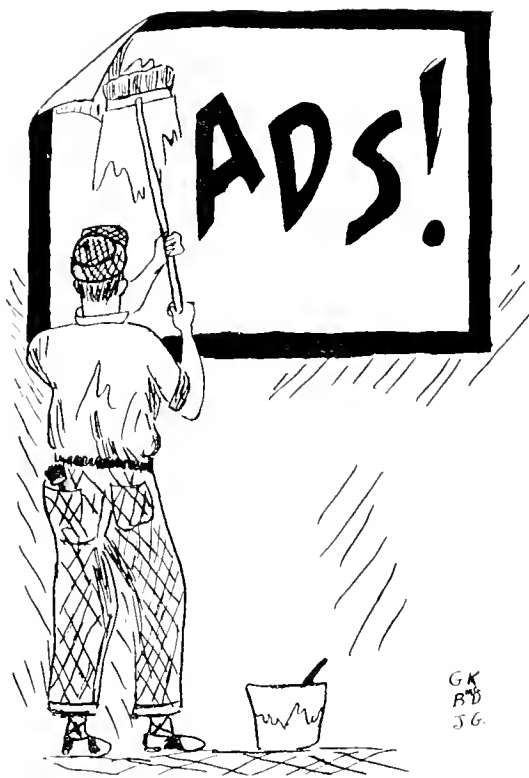

The J. V. boys accomplished the main objectives of Junior Varsity sports by gaining valuable experience and learning and practicing good sportsmanship.

1ST ROW: Douglas McCloud, Kenneth Legum, Louis Darden, Lewis Voliva, and Bobby Saunders.
2ND ROW: Kent Lowder, Otis Darden, Jimmy Saunders, Carl Gardner, and James Harcum.

Track

As our Annual goes to press, the boys are working hard preparing for the track season. We look to veterans Bobby Saunders, Louis and Otis Darden and Lewis Voliva to score a lot of points this year. Great possibilities are being shown by many of these joining the varsity team for the first time this year. We know Coach Tomko will develop some real "cinder stars" to carry on next year in the new high school.

Put a Pause for Coke on your Program too!

The whole crowd goes for refreshment. When the gang gets together for a dance session, one of the first thoughts at intermission is for an ice-cold Coca-Cola. Everybody knows Coke is delicious and refreshing.
